Sunday's Gospel

Jesus tells us that he has come so that we may have life in all its fullness.

God of all, you sent your Son Jesus, so that we may have life to the full. Inspire us to do all that we can so that all our brothers and sisters around the world may live free from poverty and hunger. Amen

Cafod

Year 4 First Holy Communion

Y4 children will receive the sacrament of Holy Communion in church this Saturday 25 April during two special Masses at 11.00am and 1.00pm.

Please keep the children in your prayers as they take this important next step in their journey of faith.

Other World Faith Day—Islam

As part of our Religious Education curriculum, we learn about other faiths. This week our 'Other World Faith' was Islam and we welcomed Imran Kotwal back into school to help us with our learning.

On Tuesday, children in all classes started the day with a whole school assembly, where we learned about Islam and listened to a story. Then Imran spent the day teaching the children in their different year groups, about aspects of the faith including Ramadan, the Qur'an, features of Mosques, prayers and special objects.

The children enjoyed learning about Imran's faith and were very respectful of some of the similarities and differences between his faith and our own. We look forward to welcoming him to the school again in the future.

Bikeability—Year 5

A huge well done to children from our Year 5 class for successfully completing their Bikeability course.

They all worked brilliantly, showing great focus, confidence and road awareness. We're really proud of how sensible and responsible they were throughout the course — a fantastic life skill to have.

Well done, Year 5!

Book sale

We're getting ready to hold a school book sale and would love your help.

If you're having a bit of a clear-out at home, we'd be very grateful for any **unwanted books or bric-a-brac** that are still in good condition. We're looking for things like:

- Children's books
- Small bric-a-brac items, puzzles or little gifts

All donations will help raise funds for school activities and resources for our children.

Donations can be sent into the school office.

Thank you so much for your continued support — we really do appreciate it!

Parking at school

Could we please remind all car park users at the start and end of the school day, for the safety of all our children, families, and staff, please:

- Drive slowly and carefully within the car park.
- Avoid parking on or near the zebra crossing by the church.
- Park considerately, so visibility is clear for pedestrians.

Thank you for your continued support in helping us keep our school community and car park safe.

2026 ✨ Year of Reading

Set a Reading Routine
Create a daily or weekly reading schedule that becomes a part of your child's routine. Consistency helps build habits.

Make Reading Fun
Choose books that match your child's interests and age level. Engage with the story by discussing it or acting out parts.

Reward Progress
Celebrate small milestones, like finishing a book or reading a chapter, with praise or a small reward.

How you can help your child to read regularly?

Lead by Example
Show your love for reading by reading regularly yourself. Children are more likely to read if they see you enjoying it.

THE IMPORTANCE OF READING TOGETHER AT HOME

While we celebrate reading in school, the role of parents, carers, and family members cannot be overstated. Reading at home, even for a few minutes each day, helps consolidate what your child learns at school and builds precious family memories. The support and encouragement you provide truly enhance your child's progress and confidence as a reader.

EYFS & Key Stage 1: We recommend sharing a book together for 10–15 minutes every evening.

Key Stage 2: Please encourage your child to read independently or with you for 15–20 minutes nightly.

Talk about characters, the plot, make predictions about what might happen and discuss what has happened to ensure understanding by asking questions about what has happened in the text.

Remember to sign your child's reading record after every session. These records not only keep teachers informed but also celebrate your child's reading journey and achievements.
