

Year 1 Class Blog: 24.04.26

Dear Parents and Carers,

We have had a fantastic return to school after half term. The children have settled quickly back into their routines and have been working incredibly hard as we begin preparing for the transition into Year 2.

We have also started our preparations for the Phonics Screening Test. The children continue practising their phonics skills daily, and we are very proud of their effort and progress. Please keep an eye out for Phonics Screening Test homework, which will be sent home to support their learning further.

We were very lucky to meet Imran this week, who came in to talk to us about Islam. The children were very interested and asked some thoughtful questions, making it a really valuable experience for everyone.

There are photos included from our learning before the Easter break, as well as some from this week, showing just how busy we have been in class.

Thank you for your continued support.

Kind regards,
Mrs Gambles & Miss Ross
